

Tigist Ashenafi

Date of birth: 18/02/2003 | Nationality: Ethiopian | Phone: (+251) 983250692 (Mobile) | Email address: tigistashenafi42@gmail.com | Website: <https://tigistashenafi.github.io/Portfolio/> | LinkedIn: <https://www.linkedin.com/in/tigist-ashenafi-529491> | Address: Addis Abeba, Ethiopia (Home)

About me

I am passionate about coding and enjoy learning new things to improve my skills, solve problems, and create innovative software solutions. I work hard to stay updated with the latest technologies and trends in the tech world. Being friendly and sociable, I enjoy collaborating with others, sharing ideas, and working as a team to make projects more effective and enjoyable. My curiosity and motivation drive me to develop software that helps people and makes a meaningful difference.

Education & Training

Software Engineering | Debre Berhan university | 01/05/2021 - Current | Debre Berhan, Ethiopia

Work experience

Full-stack web developer - Internship | Tewos Technology | 09/07/2024 - 03/09/2024 | Addis Abeba, Ethiopia
